

## BE in the Past Tense

| Statement (S +V) | Question (V + S) | Negative (S + V + not) | Negative Contraction (V + not) |
|------------------|------------------|------------------------|--------------------------------|
|                  | Was I?           |                        |                                |
|                  |                  | you were not           |                                |
| he was           |                  |                        | she wasn't                     |
|                  |                  | it was not             |                                |
| we were          |                  |                        |                                |
|                  | Were you?        |                        |                                |
|                  |                  |                        | they weren't                   |

## HAVE in the Past Tense

| Statement (S +V) | Contraction of S+V | Question (Did + S + Inf.) | Negative (S + V + not) | Contraction (S + V) + Negative | Negative Contraction (V + not) |
|------------------|--------------------|---------------------------|------------------------|--------------------------------|--------------------------------|
|                  | I'd                |                           |                        |                                |                                |
| you had          |                    |                           | You had not            |                                |                                |
|                  |                    | Did he have?              |                        |                                |                                |
|                  |                    |                           |                        | She'd not                      |                                |
|                  |                    |                           |                        |                                | It hadn't                      |
|                  | we'd               |                           |                        |                                |                                |
|                  |                    | Did you have?             |                        |                                |                                |
| they had         |                    |                           |                        |                                |                                |
